

Our Wedding Itinerary

We highly recommend arriving a couple of days before to fully immerse yourself in the stunning beauty the Bay of Kotor has to offer. Personally, we plan to arrive a week prior to our big day and have a series of exciting activities planned starting from Thursday, June 19th. We warmly invite you to join us for these pre-wedding events to make the most of this incredible destination.

Of course, there's no pressure to attend every event—feel free to explore on your own as well. For additional activities and recommendations, please visit the [What to Do](#) page.
